REMARKS

Claims 15-21 are pending in the application. Claims 1-14 are cancelled without prejudice.

Applicant's Response to Examiner's Amendment

The Office Action objected to the abstract of the disclosure because it was not descriptive. In response to this objection, Applicant submits a replacement abstract. It is believed that the abstract of the disclosure is now sufficiently descriptive of the invention.

The Office Action requires that claims 1-14 be cancelled. These claims are herein cancelled without prejudice.

The title of the invention has been amended to reflect the subject matter of the allowed claims.

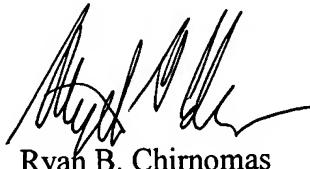

Should the Examiner deem that any further action by applicants would be desirable to place the application in condition for allowance; the Examiner is encouraged to telephone applicants' undersigned agent.
